PANDEMIC PREPAREDNESS RESPIRATORY PRODUCTS

SPERIAN
Protection you can trust*

According to the Occupational Health & Safety Administration (OSHA), as employers evaluate their workplace, respirators should be considered for use in occupational settings during an influenza pandemic. Use of these devices during an influenza pandemic is a recommended part of a comprehensive strategy of personal protection. Sperian Respiratory Protection has many respiratory products to offer for pandemic situations. Sperian is protection you can trust.

PANDEMIC PREPAREDNESS RESPIRATORY PRODUCTS

ONE-Fit™ W1400 N95 Flat Fold Respirator

A universal sized disposable flat fold respirator that fits most face shapes and sizes

- Bonded wire nose clip can be easily molded for increased fit
- Lightweight materials allow for longer wear times with less wearer fatigue
- Offers a large cone for easier and cooler breathing
- Individually packaged to maintain integrity of product in work environment
- Meets NIOSH and CDC Standards for N95 protection against airborne pathogens and M.tuberculosis

STYLE NO: W1400	
ITEM NO: 14110452	SIZE: One Size
PACKAGING: 20 masks/box	CASE: 20 boxes/case

ONE-Fit™ Healthcare Surgical N95 Flat Fold Respirator

Fits, looks and feels like a standard surgical mask while offering the benefits of respiratory protection

- Lightweight and thin construction, with a soft inner layer designed for comfort
- Latex-free and silicone-free construction
- Masks are individually bagged to keep from soiling and contamination
- Tear-away section on the bag for easy opening
- Dispenser style box with tear-out/cut-out panel for ease of access
- Universal, one size surgical respirator designed to fit most face sizes and shapes
- NIOSH-approved as an N95 Particulate Respirator and FDA cleared as a surgical mask
- Ranks as "High Barrier" class 160 mmHg in conformance to ASTM F1862 requirements for fluid penetration and splash resistance

STYLE NO: HC – NB295F	
ITEM NO: 14110451	SIZE: One size
PACKAGING: 20/box	CASE: 10 boxes/case

Freedom™ Disposable Elastomeric Respirator with P100 Filters

Elastomeric half-mask respirator provides the convenience of a disposable respirator with the fit, comfort and breathability of a traditional half-mask respirator

- P100 Filters are pre-assembled for convenience and eliminates assembly mistakes
- Rolled edges, broad sealing flange, and forward angled nosepiece provide secure, comfortable fit
- Use until filters are expended
- Available in three sizes for improved fit and comfort
- Packaged in a resealable bag to protect from contamination when not in use

STYLE NO: FREEDOM P100	
ITEM NO: 14150089	SIZE: Small
ITEM NO: 14150090	SIZE: Medium
ITEM NO: 14150091	SIZE: Large
