

Product Family Uvex Entity

The Uvex Entity goggle protects against impact, dust and chemical splash hazards while providing a secure, gap-free fit. The toric shaped lens provides a wide field of unobstructed peripheral vision, with Uvextra[®] anti-fog lens coating and indirect ventilation system to minimize fogging, keeping lenses clear. Featuring a lightweight and flexible PVC body that easily flexes and conforms to the face, Uvex Entity is designed for lasting comfort and protection.
