 CFL2.7M-8/AUS	Fully compliant to AS/NZS 1891.3 as a type 2 fall arrest device 2.7mtr Length

Additional Information

Also available with triple acting karabiner terminations each end.

Overview

Key Features

Miller Black Rhino fall arrestors are an ultra small and lightweight cable lifeline. Designed with stainless steel cable, the Black Rhino fall arrestor was developed to endure the daily rigors of harsh environments such as concrete construction, welding, steel erection, food processing and warehousing applications. The 2.7 meters of working capacity offers greater mobility and arrests a fall within centimeters, minimising the risk to the employee in the event of a fall. A shorter arrest distance usually positions the user where they can be quickly rescued. This lightweight unit also features an integral load indicator which shows when the unit must be removed from service. It has corrosion resistant stainless steel and aluminium components.

Recommended Industries/Use

- Agriculture
- Chemical
- Construction
- Food Services
- Forestry
- Manufacturing
- Mining
- Municipal Services
- Oil and Gas
- Pharmaceutical
- Steel and Metals
- Transportation
- Utilities

Hazards

- Confined Space
- Fall from height

Regulations

- Fully compliant to AS/NZS 1891.3 as a type 2 fall arrest device.

Warranty Information

MILLER FALL PROTECTION PRODUCT TOTAL SATISFACTION ASSURANCE At Sperian Protection, we have been providing quality Miller brand fall protection equipment to millions of workers worldwide since 1945. LIMITED LIFETIME WARRANTY BACKED BY OVER 60 YEARS IN THE FALL PROTECTION BUSINESS We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous tests to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 1300 139 166 (Aust customers) or 0800 322 200 (NZ customers) Manufacturing specifications are subject to change without notice.

Specifications
