

Product Family
Miller Manyard II Shock-Absorbing Lanyards

Stretchable webbing greatly reduces the chances of tripping, snagging or dragging.

Product Numbers & Ordering Information

Overview

Key Features

- Specially-woven shock-absorbing inner core smoothly expands out, reducing fall arrest forces
- Heavy-duty tubular outer jacket serves as a back-up lanyard
- Unique warning flag provides visual proof that a lanyard has been involved in a fall and must be removed from service
- Integral bright red core makes visual inspection easier and more reliable

Recommended Industries/Use

- Chemical
- Fire Protection
- Manufacturing
- Mining
- Oil and Gas
- Welding
- Nuclear

Hazards

- Fall from height

Regulations

- Meets all applicable OSHA, ANSI and CSA standards

Warranty Information

We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous test to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 800/873-5242. Manufacturing specifications are subject to change without notice.
