Product Numbers & Ordering Information

Product Numbers	Details
 7600A/YL	StopFall Fall Restraint System Fits pole size 25-in. to 50-in. circumference, friction buckle adjustment
 7600B/YL	StopFall Fall Restraint System Fits pole size 25-in. to 50-in. circumference, tongue buckle adjustment
 7600A/YL/GP-1	StopFall Fall Restraint System StopFall System fits wood pole size 25-in. – 50-in. (635 mm - 1270 mm) circumference with friction buckle adjustment and attached Gaff Pullers (7600GP-1) with leather screw-together ties.
 7600B/YL/GP-1	StopFall Fall Restraint System StopFall System fits wood pole size 25-in. – 50-in. (635 mm - 1270 mm) circumference with tongue buckle adjustment and attached Gaff Pullers (7600GP-1) with leather screw-together ties.
 7600GP	Gaff Puller Accessory (For use on existing StopFall units) Gaff Pullers with plastic cable ties
 7600GP-1	Gaff Puller Accessory (For use on existing StopFall units) Gaff Pullers with leather ties (recommended option)

Overview

Key Features

The polyester pole strap comprises:

- An integral steel reinforcement band, which prevents “hour-glassing” and maintains shape
- A rugged neoprene wear pad for increased service life
- Double-locking snap hooks and length adjuster assembly
- Two-piece spring assembly to prevent a continual electric path
- Stainless steel dome stops to prevent the security strap from inadvertently sliding off the end of the wear pad

Specially-designed security strap:

- Corrosion-resistant, stainless steel hardware
- Spring-loaded gaffs that provide instant grip on wooden poles
- Nylon rollers permit free movement of the gaffs and minimize abrasion on the strap
- A disconnect and length adjuster with a “parking” feature for when the security strap is not in use

Recommended Industries/Use

- Utilities

Hazards

- Fall from height

Regulations

- Meets all applicable OSHA, ANSI and CSA standards

Warranty Information

We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous test to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 800/873-5242. Manufacturing specifications are subject to change without notice.
