	1016840	<b>Sharp Edge rated Scorpion</b> Steel Screwgate Karabiner & Snap Hook (2.6m)
	1016841	<b>Sharp Edge rated Scorpion</b> Alum Screwgate Karabiner & Scaff Hook (2.7m)

**Overview**

**Key Features**

- Compact and Light weight
- Quick activating high strength stainless steel
- braking system - arrests free fall within
- centimeters
- No annual factory recertification required
- Complete with 25mm Polyamide sharp edge
- rated webbing
- Corrosion resistance internal components,
- Stainless Steel / Aluminum body encased in a
- High impact polymer cover.

**Recommended Industries/Use**

- Construction

**Hazards**

**Regulations** space • Fall from height

- Certified to Australian and New Zealand Standards AS/NZS 1891.3

**Warranty Information**

MILLER FALL PROTECTION PRODUCT TOTAL SATISFACTION ASSURANCE At Sperian Protection, we have been providing quality Miller brand fall protection equipment to millions of workers worldwide since 1945. LIMITED LIFETIME WARRANTY BACKED BY OVER 60 YEARS IN THE FALL PROTECTION BUSINESS We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous tests to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 1300 139 166 (Aust customers) or 0800 322 200 (NZ customers) Manufacturing specifications are subject to change without notice.
