Product Numbers & Ordering Information

Additional Information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

Overview

Key Features

The Perfect Cutting® line features seamless and lightweight Dyneema® and polyamide liners with PU or nitrile coating.

COMFORT

The tight knit gives the gloves perfect support, limits the penetration of dirt and offers a good touch. The ventilated back optimise their breathability. The cool Dyneema® touch gives an added sensation of comfort.

RESISTANCE

The Dyneema® and polyamide thread provides outstanding properties against cuts. The polyurethane/nitrile coating at the palm and fingertips provides outstanding abrasion resistance.

HYGIENE

Available in various color according to the work environment.
