Ytterligare information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

Översikt

Viktigaste egenskaperna

The Tuff cut line features mediumweight composite yarn gloves.

COMFORT

The knitting technique gives the gloves perfect support, limits the penetration of dirt and offers a good touch. The ventilated back improves the glove's breathability.

RESISTANCE & SAFETY

The composition of the glove offer a constant, reliable and safe protection to high cut risks. Version in textile, latex, nitrile 3/4 and leather and PU.

HYGIENE

The dark colour insures a longer use.
