	Product Numbers	Details
	2318765	Vertigo PU Knitted Spectra® and blue polyamide. Black PU coating on palm.

Additional Information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

Overview

Key Features

The Vertigo® line features seamless and lightweight polyamide (cut 1) Spectra® (cut 3) and Spectra® + glass fiber (cut 5) liners with PU or nitrile coating.

COMFORT

The tight knit gives the gloves perfect support, limits the penetration of dirt and offers a good touch. The ventilated back optimise their breathability. The cool Spectra® touch gives an added sensation of comfort.

Cut level resistance written on the top of the glove for better visualisation of the cut resistance level.

RESISTANCE

The Spectra® and polyamide thread provides outstanding properties against cuts. The polyurethane/nitrile coating at the palm and fingertips provides outstanding abrasion resistance.

HYGIENE

Available in various color according to the work environment.

Regulations

- EN 420-2003 - General requirements
- EN 388-2003 - Mechanical risks

Specifications

Materials

- Spectra®, polyamide, glass fiber

Coating

VERTIGO
