 PA131	Hood with cotton neck assembly for Primair 100 headgear Head and shoulder covered

Overview

Key Features

- Conforms to NIOSH standards.
- Extremely lightweight and comfortable semi-disposable airhood: PA111/PA121 180g, PA101 less than 100g.
- The disposable part is made of coated tyvek® to ensure high chemical resistance, and is easily replaced by undoing 2 pushbuttons on the side.
- Headband and airduct reusable, reduces costs
- Airduct takes air to the visor, no misting up, no cold air on the wearers head
