

Söll Turntable Anchorage Eye

Product description

The Söll Turntable Anchorage Eye provides users with an anchor point rated for single person use.

FEATURES

- Single person Fall Arrest Anchor Point.
- Rotates 3600.
- Compact and light-weight.
- Easily attaches to a structure. Structures must be capable of withstanding forces involved in arresting a force.
- Please refer AS/NZS 1891.4.2009 for more details on Anchor Points.
- An M16 bolt is required to fit the anchor point to the structure (length to be determined by an engineer or height safety inspector).
- **Please note:** the bolt is not supplied with the Anchor Point.

APPLICATIONS

- Permanent installations
- Construction & maintenance
- Building

Technical Information

Tensile Strength - 22kN

Standards

Refer to AS/NZS 1891.4 for information on anchorage strength, position and other application guidelines.
