

New!

GAFF PULLERS

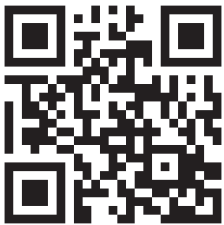

Now available with
Miller StopFall™ Fall Restraint System

Gaff Pullers are now available for the Miller StopFall System and feature:

- Easy to grasp design, especially when wearing heavy-duty lineman's gloves.
- Hand protection - safely operating the gaffs while climbing.
- Easy to attach; retrofit design.
- Easy operation with the StopFall System.

It is recommended to always order the StopFall units with Gaff Pullers as an attachment.
