LAUNDERING INSTRUCTIONS

Product withstands commercial laundry-room detergents (up to pH 15) and warm water temperatures up to 120° F (49° C). Lower heat settings (up to 180° F) are suggested for drying as extreme heat may cause shrinking and degradation of fiber.

⚠ WARNINGS

***These products contain natural rubber/latex which may cause allergies in some individuals. These allergies can lead to serious illness or death. If an allergic reaction occurs (skin rashes, hives, flushing, itching, nasal, eye, or sinus symptoms, shortness of breath, asthma or shock), stop using this product immediately and consult a medical provider.**

** Gloves are cut-resistant, not cut proof. Extreme caution should be used around moving machinery.

*** Laundering gloves that have been in contact with toxic or corrosive chemicals may result in a chemical reaction, including fumes that could cause personal injury, serious illness or death.

This information is provided as a guideline for product use. The end user is solely responsible for determining the suitability of a particular glove for a specific application and the length of time in which such glove may be safely used.
