

# Bump Caps

## Bump Caps

This bump cap is a seamless, 1 piece construction made from High Density Polyethylene (HDPE). Perfect for use in areas where bump only protection is required.

### FEATURES

- Lightweight construction at 217 grams
- Pin lock head harness
- Available in white, blue and orange

### APPLICATIONS

- Food Industry, Mechanics, Truck drivers, Maintenance departments.

Bump Cap

## Baseball Bump Cap Insert

A thermoplastic insert that turns any baseball cap into a piece of protective head gear. Available as an insert or in combination with a baseball cap, which protects from minor lacerations, abrasions, and bruises. The cap provides cooling ventilation eyelets which permit air circulation. Adjustable back strap and inner surface foam pad for extra comfort.
