

▶ ▶ ▶ HONEYWELL LUNCHBOX WELDERS KIT

PRODUCT INFORMATION

The Honeywell 5500 series half mask welders kit is the economical choice for welders requiring respiratory protection from welding fumes. The kit comes complete with half mask and P2 rated Pancake filters, with nuisance level OV protection, plus 2 mask cleaning wipes. Pancake filters are flexible and easily fit underneath a welding helmet.

Lunchbox Packaging provides great storage for the mask and filters to keep them clean and to stop filters being clogged up with dust when not in use.

Handy Kits make filter selection easy!

PRODUCT FEATURES

- ⇒ Lunchbox Packaging provides great storage for the mask and filters to keep them clean and to stop filters being clogged up with dust when not in use.
- ⇒ Handy Kits make filter selection easy!
- ⇒ Pancake filters are flexible and easily fit underneath a welding helmet.
- ⇒ Latex free half mask means no latex allergens & are safe for your workers with allergies
- ⇒ Low "dead air" space in mask, means less exhaled breath is re-breathed which encourages increased worker productivity
- ⇒ Strategic placement of exhalation valve allows more breath to be exhaled out of the mask faster leaving workers feeling cooler & more comfortable
- ⇒ Approved to AS/NZS 1716 : 2012 Lic 0563. Pancake Filter P2 rating with a half mask (P3 with full face) provides protection against particulates including dust mist & fume, as well as nuisance odour protection.

APPLICATIONS

Suits various welding applications requiring respiratory protection against fume. Also suitable for use in applications requiring protection against dust mist and fume eg sanding, sweeping, woodworking etc.
