

P1 Premium Cup-Shape Nuisance Odour Respirator Valved

Product description

A fully featured premium cup shape respirator suggested for protection against dusts and mists/particulate aerosols free of oil, with a charcoal layer filter for nuisance level organic vapour odour relief.

FEATURES

- Approved to 10 times the exposure standard of dusts produced by grinding, drilling, sanding etc.
- Shaped for fit when worn in combination with eyewear.
- Low breathing resistance encourages longer wear time by improving the wearer's comfort.
- Humidity resistant and hypoallergenic filter media for maximum respirator service life.
- Durable latex-free suspension straps to eliminate pre-stretching.
- Staples do not penetrate filter medium.
- Willtech™ boomerang nose seal seal absorbs perspiration providing increased comfort.
- Flame retardant outer shell ensures greater safety.
- No restriction of vision or communication.
- Has a charcoal layer, which provides relief from nuisance levels of organic vapours and odours.
- Brown nose bridge allows easy identification of suitability for nuisance level OV

APPLICATIONS

- Agriculture, Chemical, Construction, Fire Protection, Food services, forestry, manufacturing, mining, municipal services, oil & gas, pharmaceutical, steel & metal, utilities

HAZARDS

- Airborne particulates—dust/mist, Nuisance OV
